at St. Edmund's Academy '22*

*Diondrai, FAME Scholar  
at The Kiski School '14*

*Tori, FAME Scholar  
at The Ellis School '12*

### *FAME's Mission*

To provide African American students access to college preparatory education at participating independent schools in the Greater Pittsburgh area through the provision of need based financial assistance. FAME also provides support to scholars and alumni throughout their academic careers. Ultimately, through this work, FAME's intention is to increase the number of African American leaders in the Greater Pittsburgh region.

*Help prepare African American students for leadership positions by creating the strong educational foundation they need to succeed.*

*Alyia Smith-Parker graduated from The Ellis School in 2006 with FAME's assistance. She went on to graduate from Vanderbilt University with a Bachelors of Arts in May 2010. While at Vanderbilt, she completed the premedical school requirements and majored in Medicine, Health and Society. Alyia is currently completing a Masters of Public Health Degree at the University of Pittsburgh Graduate School of Public Health. She is working this summer in the Health Planning and Assessment office of the State Department of Health in Harrisburg, PA on her path toward becoming a doctor.*

*Please support our program through*

# EITC

**By selecting FAME as your choice for EITC, you are investing in the future. Your contribution ensures the success of African American students, grades 4 - 12, who will be tomorrow's leaders in the communities where you do business.**

### *FAME Milestones:*

- FAME has been serving African American students in Pittsburgh and surrounding areas for over 16 years.
- FAME currently provides need based scholarships to 66 students each year.
- To date, 76 students have graduated from high school with FAME's support; 100% have gone on to attend college.
- More than 60% of those alumni have returned to Pittsburgh after graduation and have entered the workforce prepared to invest in the development and growth of this region.
